

Some Main Priority Orientations on Current and Emerging Environmental Issues

Presented by: Ms. Huynh Thi Mai

VN BCI National Coordinator

Ministry of Natural Resources and Environment of Vietnam

Bangkok, 2 July 2009

Priority Issues

1. Biodiversity conservation
2. Water Resources Management
3. Pollution Control
4. Climate Change Adaptation
5. Environmental Services
6. Land use planning and management
7. Capacity Building and Human Resource Development in NR&E

1. Biodiversity Conservation

1. Implementation of the Gov Project on enforcement of the Biodiversity Law: (i) Improvement of legal framework on Biodiversity conservation (Development of Decrees, circulars, regulations under the Law; (ii) Implementation of the projects to assist the enforcement of the BL; (iii) Public awareness enhancement on Biodiversity conservation; and (iv) Capacity building of enhancement on Biodiversity conservation for management staffs at all levels)
2. Linkage between biodiversity conservation and poverty reduction
3. Study on climate change impacts on biodiversity and develop mitigation and adaptation measures

2. Water Resources Management

1. Water sharing
2. Rivers basin management
3. Water resources pollution control
4. Ground water exploitation
5. Climate change

3. Pollution Control

1. Development of National Strategy on 3R
2. Development of sectoral environmental standards and norms
3. Water pollution control

4. Climate Change Adaptation

1. National target program to respond to climate change
2. Development of scenarios on climate change, sea level rise

5. Environmental Services

1. Study on development of theoretical and practical bases for policy promulgation on payments for environmental services
2. Development of the Gov Decree on Compensation for environmental damage
3. Ecosystem evaluation
4. Use of economic tools in management of environment protection and biodiversity conservation

6. Land Use Planning and Management

1. Land allocation procedures
2. Clear of the ground
3. Certification of land use right
4. Land finance

7. Capacity Building and Human Resource Development in NR&E

1. Capacity building matrix for natural resource and environment sector
2. Development of national databases on NR&E

Orientaion on SD of NR&E Sector

- Development of Agenda 21 Document of NR&E
- Building of Strategy on NR&E Development
