## 3<sup>rd</sup> Training Workshop Community Climate Change Adaptation Planning

### Workshop Focus

- Understanding climate change adaptation
- Planning climate change adaptation
- Mobilizing climate change adaptation
- Selecting and evaluating climate change adaptation

Climate change adaptation planning >>> Rural development planning  
that aims for more climate resilience in the long term

## 3<sup>rd</sup> Training Workshop Community Climate Change Adaptation Planning

### Day 1

#### ***Wednesday 15<sup>th</sup> February – Morning sessions – 0900-1200***

- Welcome address
- Introduction to workshop objectives and process
- Group photo
- Lecture session: Recap on workshop 1&2 - community risk and vulnerability to climate change assessment
- Lecture session: Introduction to community climate change adaptation planning
- Group exercise: Case study – Planning community climate change adaptation

## 3<sup>rd</sup> Training Workshop Community Climate Change Adaptation Planning

### Day 1

#### ***Wednesday 15<sup>th</sup> February – Afternoon session – 1330-1600***

- Group presentation & discussion: Case study – Planning community climate change adaptation
- Group exercise: Case study - Mobilizing community climate change adaptation
- Group presentation & discussion: Case study - Mobilizing community climate change adaptation
- Summary of the day

## 3<sup>rd</sup> Training Workshop Community Climate Change Adaptation Planning

### Day 2

#### ***Thursday 16<sup>th</sup> February – Morning session – 0900-1200***

- Group exercise: Case study – Selecting and evaluating community climate change adaptation options
- Group presentation & discussion: Case study - Mobilizing community climate change adaptation
- Group discussion: Reviewing country case study – Framing community climate change adaptation planning
- Group exercise: Country case study – Community climate change adaptation planning

#### ***Thursday 16<sup>th</sup> February – Afternoon session – 1330-1600***

- Group presentation: Country case study – Community climate change adaptation plan
- Group exercise: Country case study – Mobilizing, selecting and evaluating community climate change adaptation
- Summary of the day

## 3<sup>rd</sup> Training Workshop Community Climate Change Adaptation Planning

### Day 3

#### ***Friday 17<sup>th</sup> February - Morning session – 0900-1200***

- Group presentation session: Country case study – Community climate change adaptation plan
- General discussion
- Workshop summary
- Certificate of Attendance

**THANK YOU**
