1. The objective of the Project is the establishment of sustainably managed Biodiversity Corridors in the Project Provinces.

2. The Project shall comprise the following Outputs:

**Output 1: Strengthening of Institutions and Communities for Biodiversity Corridor Management.** (a) Strengthening the capacity of the national, provincial, district and commune levels for corridor planning and management; and (b) providing protection and sustainable use policies, guidelines and/or local regulations for enforcing biodiversity corridor management plans.

**Output 2: Restoration, Protection and Sustainable Management of Biodiversity Corridors.** Carrying out (a) forest restoration, (b) natural forest replanting, (c) enrichment planting, and (d) non-timber forest products planting and agroforestry.

**Output 3: Improvement of Livelihoods and Provision of Small Scale Infrastructure Support.** Implementing Subprojects to be selected in accordance with the PAM.

**Output 4: Project Management and Support Services.** Providing support services and building capacity on Project administration, procurement, financial management, progress reporting, impact monitoring, social and environmental safeguards and contract management.

3. The Project is expected to be completed by 31 March 2019.

## SCHEDULE 2

### Allocation and Withdrawal of Grant Proceeds

#### General

1. The table attached to this Schedule sets forth the Categories of items of expenditure to be financed out of the proceeds of the Grant and the allocation of amounts of the Grant to each such Category ("Table"). (Reference to "Category" in this Schedule is to a Category or Categories of the Table.)

#### Percentages of ADB Financing

2. Except as ADB may otherwise agree, each item of expenditure shall be financed out of the proceeds of the Grant on the basis of the percentages set forth in the Table.

#### Reallocation

3. Notwithstanding the allocation of Grant proceeds and the withdrawal percentages set forth in the Table,

(a) if the amount of the Grant allocated to any Category appears to be insufficient to finance all agreed expenditures in that Category, ADB may, by notice to the Recipient, (i) reallocate to such Category, to the extent required to meet the estimated shortfall, amounts of the Grant which have been allocated to another Category but, in the opinion of ADB, are not needed to meet other expenditures, and (ii) if such reallocation cannot fully meet the estimated shortfall, reduce the withdrawal percentage applicable to such expenditures in order that further withdrawals under such Category may continue until all expenditures thereunder shall have been made; and

(b) if the amount of the Grant allocated to any Category appears to exceed all agreed expenditures in that Category, ADB may, by notice to the Recipient, reallocate such excess amount to any other Category.

#### Disbursement Procedures

4. Except as ADB may otherwise agree, the Grant proceeds shall be disbursed in accordance with the Loan Disbursement Handbook.

#### Imprest Account and Statement of Expenditures

5. (a) Except as ADB may otherwise agree, the Recipient shall establish, and cause to be established, immediately after the Effective Date, (i) two (2) first generation imprest accounts at the National Bank of Cambodia or commercial banks acceptable to ADB, and (ii) four (4) second generation imprest accounts for Project Provinces at commercial banks acceptable to ADB (collectively, imprest accounts). The imprest accounts shall be established, managed, replenished and liquidated in accordance with the Loan Disbursement Handbook, and detailed arrangements agreed upon between the Recipient and ADB. The currency of the imprest accounts shall be the Dollar. The amount to be deposited into each

Schedule 2

first generation imprest account shall not exceed the lower of (i) the estimated expenditure to be financed from the imprest account for the coming 6 months of Project implementation, or (ii) nine hundred and fifty thousand Dollars (\$950,000). The amount to be deposited into each second generation imprest account shall not exceed the lower of (i) the estimated expenditure to be financed from the imprest account for the coming 6 months of Project implementation, or (ii) three hundred thousand Dollars (\$300,000).

(b) The statement of expenditures procedure may be used for reimbursement of eligible expenditures and to liquidate advances provided into the imprest account, in accordance with the Loan Disbursement Handbook and detailed arrangements agreed upon between the Recipient and ADB. Any individual payment to be reimbursed or liquidated under the statement of expenditures procedure shall not exceed the equivalent of one hundred thousand Dollars (\$100,000) per payment.

Condition for Disbursement for a Project Province

6. Notwithstanding any other provisions of this Grant Agreement, no disbursement shall be made for a Project Province until, in such Province, a PPMU has been established, with a (i) provincial project coordinator; (ii) chief accountant; and (iii) safeguard officer who shall be responsible for monitoring safeguard compliance during Subproject design and implementation.

### SCHEDULE 3

#### Provisions on Procurement and Consulting Services

##### General

1. The procurement of Goods, Works and Consulting Services shall be subject to and governed by the Procurement Guidelines, and the Consulting Guidelines, respectively.
2. All terms used and not otherwise defined in this Grant Agreement have the meanings provided in the Procurement Guidelines and/or the Consulting Guidelines, as applicable.

##### Procurement of Goods and Works

3. Except as ADB may otherwise agree, Goods and Works shall only be procured on the basis of the methods of procurement set forth below:
  - (a) National Competitive Bidding;
  - (b) Shopping;
  - (c) Direct Contracting; and
  - (d) Community Participation.

4. The methods of procurement are subject to, among other things, the detailed arrangements and threshold values set forth in the Procurement Plan. The Recipient may only modify the methods of procurement or threshold values with the prior agreement of ADB, and modifications must be set out in updates to the Procurement Plan.

##### National Competitive Bidding

5. The Recipient and ADB shall ensure that, prior to the commencement of any procurement activity under national competitive bidding, the Recipient's national competitive bidding procedures are consistent with the Procurement Guidelines. Any modifications or clarifications to such procedures agreed between the Recipient and ADB shall be set out in the Procurement Plan. Any subsequent change to the agreed modifications and clarifications shall become effective only after approval of such change by the Recipient and ADB.

##### Community Participation in Procurement

6. The Recipient may use community participation in procurement in accordance with the agreed procedures set out in the Procurement Plan.

##### Selection of Consulting Services

7. Except as ADB may otherwise agree, and except as set forth in the paragraph below, the Recipient shall apply quality-and cost-based selection for selecting and engaging Consulting Services.
8. The Recipient shall apply the following method for selecting and engaging the specified Consulting Services, in accordance with, among other things, the procedures set

forth in the Procurement Plan: Consultants' Qualifications Selection for feasibility study, detailed design, supervision, safeguards, and design and capacity of CDF.

9. The Recipient may recruit the individual consultants, if required and acceptable to ADB, in accordance with procedures acceptable to ADB for recruiting individual consultants.

#### Industrial or Intellectual Property Rights

10. (a) The Recipient shall ensure that all Goods and Works procured (including without limitation all computer hardware, software and systems, whether separately procured or incorporated within other goods and services procured) do not violate or infringe any industrial property or intellectual property right or claim of any third party.

(b) The Recipient shall ensure that all contracts for the procurement of Goods and Works contain appropriate representations, warranties and, if appropriate, indemnities from the contractor or supplier with respect to the matters referred to in subparagraph (a) of this paragraph.

11. The Recipient shall ensure that all ADB-financed contracts with consultants contain appropriate representations, warranties and, if appropriate, indemnities from the consultants to ensure that the Consulting Services provided do not violate or infringe any industrial property or intellectual property right or claim of any third party.

#### ADB's Review of Procurement Decisions

12. Contracts for Consulting Services shall be subject to prior review by ADB, unless otherwise agreed between the Recipient and ADB and set forth in the Procurement Plan.

## SCHEDULE 4

### Execution of Project and Operation of Project Facilities; Financial Matters

#### Implementation Arrangements

1. The Recipient shall ensure that the Project is implemented in accordance with the detailed arrangements set forth in the PAM. Any subsequent change to the PAM shall become effective only after approval of such change by MOE, MAFF and ADB. In the event of any discrepancy between the PAM and this Grant Agreement, the provisions of this Grant Agreement shall prevail.

#### Environment

2. The Recipient shall ensure that the Project facilities are constructed and operated in compliance with the Recipient's applicable environmental laws and regulations and ADB's *Safeguard Policy Statement* (2009), and that no Subproject with significant adverse environmental impacts is financed under the Project. In particular, the Recipient shall ensure that Subprojects are carried out in accordance with environmental assessment procedures provided in the environmental assessment and review framework, and the respective Subproject environmental management plans as agreed between the Recipient and ADB.

3. The Recipient shall ensure that no Subproject with Category A environmental criteria as defined in the *Safeguard Policy Statement*, is financed under the Project.

#### Resettlement

4. The Recipient shall ensure that no Subproject with the ADB's Category A resettlement criteria is financed under the Project. Prior to the commencement of any resettlement activities under a Subproject with any involuntary resettlement impacts, the Recipient shall prepare or update as the case may be, and submit to ADB for approval, the relevant resettlement plans in accordance with the resettlement framework as agreed between the Recipient and ADB, the Recipient's relevant laws and regulations and ADB's *Safeguard Policy Statement*. The Recipient shall not issue a notice to commence Works in a particular Subproject, until (a) compensation payment and relocation of the affected people in such particular Subproject, if any, have been completed satisfactorily in accordance with the respective resettlement plan; (b) rehabilitation assistance has been in place; and (c) such Subproject is free of all encumbrances. The Recipient shall also ensure that a grievance mechanism is established for affected people in the Project Provinces where Subprojects are implemented.

#### Ethnic Minorities

5. The Recipient shall ensure that Subprojects do not adversely affect ethnic minorities. In particular, the Project shall be carried out in accordance with the ethnic minorities development framework, as agreed between the Recipient and ADB. The Recipient shall ensure that no Subprojects with significant adverse impacts on ethnic minorities are financed under the Project. For Subprojects in which ethnic minorities are present and affected, an ethnic minorities development plan shall be prepared in accordance with the ethnic minorities

development framework. The Recipient shall ensure that, measures to improve the welfare of ethnic minorities are built into the overall Subproject design where the indigenous peoples population exceeds 60% and no negative impact on such ethnic minorities is expected.

#### Gender and Development

6. The Recipient shall ensure that the Project's gender action plans are implemented in a timely manner. MOE, MAFF and the Project Provinces shall ensure that the gender mainstreaming activities are (a) incorporated into the Project design and undertaken during Project implementation; and (b) monitored by the relevant divisions within MOE. Such activities shall include (a) women's participation in the consultation and participatory process through the inclusion of representatives of Women's unions; (b) the opportunity for women to participate in Subproject construction activities on the basis of equal pay for work of equal value; (c) the opportunity for women to participate in post-construction Subproject operation and maintenance activities on the basis of equal pay for work of equal value; (d) pro-poor activities specifically focused on women's needs; (e) equal opportunity for men and women to attend training courses; (f) the inclusion of a social specialist in the Project implementation consulting team to address gender issues; and (g) the use of gender-disaggregated data in the benefit monitoring aspects of Project monitoring and evaluation.

#### Community Awareness and Beneficiary Participation

7. The Recipient shall ensure that Project Provinces promote active community awareness and stakeholder participation in the design, implementation and performance monitoring of Project activities and Subprojects, through (a) disseminating the nature of the proposed Project works in open public fora; and (b) establishing a mechanism for public consultation, and that bidding documents financed under the Project include provisions to ensure contractors' preference to hire local labor and to comply with the Recipient's labor laws and labor regulations including guaranteeing equal opportunities for female workers to work with the principle of equal pay for work of equal value.

#### Operation and Maintenance of Project Facilities

8. The Recipient shall ensure that within 24 months of the Effective Date, each Project Province executes with MAFF or MOE, as the case may be, a memorandum of understanding, acceptable to ADB. Such memorandum of understanding shall include provisions to (a) prepare a maintenance management plan that includes estimates of the physical works and associated costs required for routine and periodic maintenance, as well as provisions for emergency repairs for the duration of the Project facilities; (b) include the maintenance management plans in its annual budgets; (c) provide adequate funds in a timely manner from provincial budgets to implement the maintenance management plan; and (d) establish mechanisms for the safe and proper use for each of the Project facilities in accordance with national regulations and practice.

#### Monitoring of Social and Environmental Safeguards

9. Within 12 months of the Effective Date, MOE shall execute a contract with suitably qualified institutions such as social science institutes, universities, consulting firms, non-governmental organizations, other institutions or individuals acceptable to ADB, for social and environmental safeguards monitoring. Such contract shall be submitted to ADB, and

regular reports from the contracted institution/individual shall be included in the semi-annual reports to be submitted to ADB.

#### Subproject Selection and Screening

10. Subprojects shall be carried out in accordance with procedures and criteria as provided in the PAM. In particular, candidate Subprojects shall be screened by the following criteria:

- (a) technically feasible and appropriate for terrain/mountainous areas;
- (b) affordable within the block allocation provided per commune and meeting specific needs of the beneficiaries;
- (c) optimizing the inputs of local resources including labor, materials, enterprises and knowledge;
- (d) within the realistic envelope of the existing maintenance capacities to ensure that no additional maintenance burdens are imposed which are impossible to meet;
- (e) performing the intended purpose for the entire duration of their design life; and
- (f) complying with social and environmental safeguards.

#### CDF Management Guidelines

11. The Recipient shall ensure that before any activities financed by CDF start, the Project Provinces issue regulations on CDF establishment and its use, satisfactory to ADB. Such regulations shall include, among other things, (a) eligibility criteria for activities and recipients to be financed by CDF; (b) eligible expenditures that may be financed by CDF; (c) administration mechanism of CDF including accounting and funds flow; and (d) reporting mechanism. Once approved, the Recipient shall ensure that activities financed by CDF are implemented in accordance with the agreed guidelines.

#### Governance and Anticorruption

12. The Recipient (a) acknowledges ADB's right to investigate, directly or through its agents, any alleged corrupt, fraudulent, collusive or coercive practices relating to the Project; and (b) agrees to cooperate, and shall cause the Project Executing Agencies, and all other Recipient's offices, organizations and entities involved in implementing the Project to cooperate, fully with any such investigation and to extend all necessary assistance, including providing access to all relevant books and records, as may be necessary for the satisfactory completion of any such investigation. In particular, the Recipient shall ensure that (a) periodic inspections of the Project contractors' activities related to fund withdrawals and settlements are carried out; (b) relevant provisions of ADB's Anticorruption Policy (1998, as amended to date) are included in all bidding documents for the Project; and (c) contracts, financed under the Project, include provisions specifying the right of ADB to audit and examine the records and accounts of MOE, MAFF and PPMUs, contractors, suppliers, consultants, and other service providers as they relate to the Project. CDF activities shall be carried out in accordance with guidelines and maintaining transparency requirements satisfactory to ADB.

13. The Recipient shall disclose through MAFF and MOE websites accessible by the general public, information about various matters concerning the Project, including general Project information, procurement, Project progress, and contact details in English and Khmer languages. The websites shall also provide a link to ADB's Integrity Unit (<http://www.adb.org/Integrity/complaint.asp>) for reporting to ADB any grievances or allegations of corrupt practices arising out of the Project and Project activities. With regard to procurement, the websites shall include information on the list of participating bidders, name of the winning bidder, basic details on bidding procedures adopted, amount of contract awarded, and the list of Goods, Works and Consulting Services procured.
